

MAKERERE UNIVERSITY LIBRARY SERVICE
PROGRAMME FOR USER EDUCATION AND REGISTRATION 2014/2015 ACADEMIC YEAR

What is it? User Education is a process of activities aimed at creating awareness among library users of the available facilities and services.

Why should you attend? New library users are introduced to library facilities and services to enable them to identify, locate and use the various information resources with ease. They are also given a guided tour of the library. As an introductory session, library users are expected to come back for hands on experience and explore more.
