

**MAKERERE UNIVERSITY LIBRARY SERVICE**  
**PROGRAMME FOR USER EDUCATION AND REGISTRATION 2014/2015 ACADEMIC YEAR**

**What is it?** User Education is a process of activities aimed at creating awareness among library users of the available facilities and services.

**Why should you attend?** New library users are introduced to library facilities and services to enable them to identify, locate and use the various information resources with ease. They are also given a guided tour of the library. As an introductory session, library users are expected to come back for hands on experience and explore more.
