

Furthermore, applicants are required to identify (not to necessarily apply for) a course of their choice before filling in the application forms. Please note that Irish Aid does not facilitate any process to secure a place with Irish universities. It is the applicants' duty to apply directly to the University of their Choice and fulfil all the requirements which, in the case of Irish Institutions, includes an acceptable level of English.

Thank you for your continued cooperation.

Yours faithfully,

Frank Kirwan
Head of Cooperation
