RE: STUDENT IDENTITY CARDS

It has been brought to our attention that a number of identity cards issued to 1st year students have wrong programme codes and registration numbers.

College Registrars have been instructed to retrieve such identity cards for correction and reprint at no cost.

Any student who has not received his/her identity card for one reason or another should notify the College Registrar accordingly.

Materials for replacement of identity cards for continuing students have been procured. Students in this category should report to the ID Room at Senate Building from 16th April 2019.
